

Brian Ward, RPh
Vice President, Regulatory Affairs and Compliance
SUNRx

Brian Ward oversees SUNRx's 340B regulatory affairs and compliance area. As a 340B subject matter expert, Brian provides internal and external 340B program solutions and compliance consultation. A pharmacist of 30 years, Brian has held executive management positions in organizations focused on regulatory affairs, pharmaceutical technology, hospital, specialty and mail service pharmacy, and pharmacy benefits.

Prior to SUNRx, Brian was CEO of MedCentrx, LLC, a consultancy focused on implementing specialized pharmaceutical programs for healthcare organizations, and also previously served as Vice President of Pharmacy Services at Allscripts Healthcare.
